What will the future look like?
What will future look like?
We live in the greatest epic of innovation ever
Change is accelerating
Climate Change is accelerating
Europe is seeking its identity
We need more speed.
We need more speed.  
We need more scale.
We need more **speed**.
We need more **scale**.
We need...
We need more speed.
We need more scale.
We need...

A paradigm shift
Europe needs Systemic Innovation
Europe needs Systemic Change
Clusters can catalyse change at speed and scale.
